

CHINESE MURDER MAY RESULT IN TONG WAR

Oriental Is Stabbed to Death Near Fronteras with Potato Stick

Word has been received in this city coming from Fronteras, that the Chinese have had a fight with the place which promises to merge into a real tong war. Saturday night one Chinese was stabbed by another through the throat with a long sharp potato stick, dying within a few minutes.

The affair took place on a ranch known as the Lam Wall ranch, and the murderer is being held in jail at Fronteras until he can be transferred to Cananea for trial.

This is the second affray which has taken place within the past week. The first one took place when a Chinese was shot through the arm, he at the time declaring that it was Mexicans who did the deed. Since evidence could not be found to that effect it is presumed that the shooting was done by one of his countrymen.

The Rag Time Baby Dolls Playing With the James P. Lee Co., at the Orpheum

The Rag Time Baby Dolls with the James P. Lee Company playing an engagement at the Orpheum are classy kids who do their little stunts in a snappy well cut manner. These are but two adjuncts of the excellent aggregation among whom are James

P. Lee, Homer, Tony, Leroy, Kinslow, Robin Williams and Art Phillips. Miss Madeline Lee, daughter of James P. Lee delights the audience with her excellent song and dance numbers and Baby Angelos, the little juvenile star brings the house

down by her mere presence on the stage. The chorus have no little part in the success of the performance, their sprightly actions and their rich costumes adding warmth and color to the settings. Prominent among the "dolls" are Marie Barber, Gertrude Lawrence, Nora Emmet, Minnie Vanderfoot, Mary Jane Cox, Anna Adams, Nellie Bowman and the Emmett sisters. Commencing Thursday night, the company will present a new skit entitled "The Elopement," a play full of wit, humor and catchy dialogue. There will be new music, new costumes and new scenic effects—Advertisement.

FIRST CAR ORANGES GOES FROM PHOENIX

Fruit Is Better in Size, Color and Taste This Year Than Ever Before

PHOENIX, Nov. 12.—With the shipment of a carload of green oranges from the Fugazzi grove northeast of the city to an eastern office of the Fugazzi Produce company, the orange shipping season of the valley commenced last night. Shipment of ripe oranges will begin the first of next week.

The car sent out last night via the Santa Fe was consigned to one of the several big offices of the Fugazzi company, large commission agents in the east. They have offices in several of the big cities and yearly make early shipments from their grove about seven miles northeast of Phoenix.

"The first ripe oranges to be shipped out of the valley this season will be forwarded the first of the week by the Arizona Fruit Growers association, the Walter Hill company and the Weiden L. Irvin company," said Mr. Irvin of the latter company today.

The orange association and the Irvin company will ship carloads to the New York market, where they will be ready for the Thanksgiving trade. Every year the Salt River valley is the first to get its oranges to the eastern markets, beating southern California by several weeks.

"Salt River valley oranges are better this year than in the past five years," said Mr. Irvin today. "They are better in size, color and taste."

Some of the most important subjects contained in the official call will be: Import duties on live stock, meat products, wool and hides. Control or disposition of semi-arid unappropriated public grazing lands. Railroad rates on live stock from intermountain country to Pacific coast points. Cases involving live stock rates now pending before the interstate commerce commission. Rules governing transportation and railway service on live stock. For the meetings of the association this morning the High school auditorium has been secured. The visitors will be entertained by various trips through the valley, including one to the Granite Reef diversion dam. The Arizona Cattle Growers association will meet this morning in the office of Dwight B. Heard and consider ways and means for the convention, and other entertainment to be offered.

BARNES CIRCUS MEN PROTEST TAX ASKED

Requirements of Law Cause Proprietor of Show to Class It as Menagerie

A controversy between the county officials and the Al G. Barnes Wild Animal Circus people as to the amount of tax due the county under the statutes of the state of Arizona, held up the opening of the show for more than an hour yesterday afternoon. For a while it looked as if the show might not get at all and the heated dispute which arose between the representatives of the law and the business manager of the show would result in the latter being lodged in jail.

The law demands that circuses or menageries pay a tax of five per cent of the gross receipts. But the Al G. Barnes people it appears have heretofore avoided this tax by representing themselves otherwise when the tax collector came around. They were not given the chance to pull the wool over the eyes of the local officials, who sent Sheriff Wheeler to the circus grounds to collect the tax.

The circus people remonstrated, threatened and cajoled; they produced papers from district attorneys from all over the country proving that they had avoided the paying of the five per cent tax by proving that they really were not a circus although they represented themselves as such to the gullible public.

A crowd awaited admittance to the tent but were told that they could not enter. Finally District attorney Alexander Murry was called on to decide whether it was a circus or not but he had decided some time previous and was not to be moved from his decision. Here again another wrangle ensued with the district attorney and the show manager. The Barnes people after much discussion unwillingly agreed to pay the five per cent tax and the crowds were allowed to enter.

Girls

Read About These Three Girls. How Sick They Were and How Their Health Was Restored by Lydia E. Pinkham's Vegetable Compound.

Appleton, Wis.—"I take pleasure in writing you an account of my sickness. I told a friend of mine how I felt and she said I had female trouble and advised me to use Lydia E. Pinkham's Vegetable Compound, as she had taken it herself for the same trouble with wonderful results. I had been sick for two years and overworked myself, and had such bad feelings every month that I could hardly walk for pain. I was very nervous and easily tired out and could not sleep nights. I had dizzy spells, and pimples came on my face. But I have taken your Lydia E. Pinkham's Vegetable Compound and it has restored my health. I think it is the best medicine in existence."—Miss CECILIA M. BAUER, 1161 Lawrence St., Appleton, Wis.

A SCHOOL TEACHER'S GRATITUDE:

Geneva, Iowa.—"I have been teaching school for some years and I have neglected my health because I was too busy with my work to attend to myself properly. I suffered greatly every month and was on the verge of a nervous breakdown.

"I wrote to you about my condition and took Lydia E. Pinkham's Vegetable Compound and the Blood Purifier as you recommended. These remedies have done wonders for me and I can highly and widely recommend them to every suffering woman."—Miss MINNIE SHAVER, R. F. D. No. 1, Geneva, Iowa, c/o Sam Erickson.

A COLORADO GIRL'S CASE:

Montrose, Col.—"I was troubled very much with irregular periods. Sometimes two months would elapse. I suffered severe headache, was weak and nervous, could eat scarcely anything.

"I took both Lydia E. Pinkham's Vegetable Compound and Blood Purifier and the result was wonderful. I feel like another person. "I think your remedies are the best on earth and cannot express my thankfulness to you for what they have done to me. I help my neighbors when they are sick, and I shall always recommend your medicines."—Miss ELLA McCANDLESS, Montrose, Col.

Is it not reasonable to suppose that a medicine that did so much for these girls will benefit any other girl who is suffering with the same troubles?

Does it not seem the only sensible thing to give such a medicine at least a trial? You may be sure that it can do you no harm, and there are lots of proof that it will do you much good.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself who will not try this famous medicine, made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

His Best Friend. Many great writers besides Cicero and Emerson have written on friendship, but it may be doubted whether any essayist had a more definite idea than a small boy who was recently asked what he meant by "best friend." "My best friend," he replied, "is a person who knows me and yet loves me."—Collier's.

Improved Idea for Dirigibles. Masts used by the British army for anchoring dirigible balloons carry at their tops cones into which the noses of the balloons fit.

Best Cure for Insomnia. Deep breathing is one of the best cures for insomnia, as it draws the blood from the brain to the lungs.

Accent Long Preserved. It is a curious fact that in the Bahamas islands, which were settled more than two hundred years ago by Londoners, the Cockney dialect is as strong as it is in Chesapeake.

How to Remove Iodine Stain. Mix cold starch with water and put your material or garment in it to soak. Let it remain in this mixture until the stain has entirely disappeared.—Ladies' Home Journal.

Popularity. One of the first things a man who intends to be popular must learn is to play to the gallery.

Lucky Thing. It has been found that medieval armor is too small for Englishmen of the present day. Luckily the women of medieval times left no corsets to be tried on by ladies of the present age.

Beyond the Touch of Time. A man never becomes too old to throw out his chest as he passes a looking-glass.—Atchison Globe.

Turning the World Over. When Archimedes hoisted "Give me a lever and I will lift and turn the world over," he was only prophesying the coming powers of our Yankee style of advertising that is making the whole world whirl round four or five times a day where it turned only once a year in old Chinese days.
